Monday, 05 April 2010 14:25 - Last Updated Tuesday, 06 April 2010 02:15

Impala launches the Manchester [St George Festival website](#) , a brand new festival offering a wide variety of entertainment, shopping & displays for all the family. The festival site is also linked to both a FaceBook fanpage and its own Twitter account as social media become increasingly important to help engage with the public.
